Statement of Lieutenant Governor Lawton Remembering Marian Thompson

"It was with great sadness that I learned of the passing of Marian Thompson. She was, truly, a leader in the women's movement here in Wisconsin. From her career as a specialist and educator with University of Wisconsin to her service on the Governor's Commission on the Status of Women and with the Wisconsin Women's Network, her commitment to Wisconsin and its people was profound. Marian was a truly remarkable woman, a tireless public servant, and her contributions to the state will have an impact on generations to come."
